BY: MAYOR VILLA

WHEREAS, all conditions precedent to the financing of the capital purposes hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act, to the extent required, have been performed;

WHEREAS, by bond resolution dated July 7, 2015, the Common Council of the City of Amsterdam, Montgomery County, New York, authorized the issuance of \$352,000 bonds of said City to finance the cost of additional or replacement equipment for wastewater processing, including effluent screens, at wastewater treatment facilities, in and for the City of Amsterdam, Montgomery County, New York, including incidental expenses in connection therewith;

WHEREAS, it has since been determined that the estimated maximum cost of said improvements should be increased to \$512,000, an increase of \$160,000; and

WHEREAS, it is now desired to authorize the issuance of \$160,000 bonds of said City to finance the additional costs of said class of objects or purposes;

RESOLVED, by the Common Council of the City of Amsterdam, Montgomery County, New York, as follows:

Section 1. For paying part of the cost of additional or replacement equipment for wastewater processing, including effluent screens, at wastewater treatment facilities, in and for said City of Amsterdam, Montgomery County, New York, a class of objects or purposes, there are hereby authorized to be issued \$160,000 bonds of the City of Amsterdam, Montgomery County, New York, pursuant to the provisions of the Local Finance Law.

Section 2: It is hereby determined that the estimated maximum cost of the aforesaid class of objects or purposes is \$512,000, and that the plan for the financing thereof is as follows:

(a) by the issuance of \$352,000 bonds of said City authorized to be issued pursuant to bond resolution dated July 7, 2015; and

(b) by the issuance of the \$160,000 bonds of said City authorized to be issued pursuant to this bond resolution,

provided, however, that the amount of bonds ultimately to be issued will be reduced by the amount of any State aid or any other revenue received by said City and theretofore applied to the cost of such class of objects or purposes.

Section 3. It is hereby further determined that the period of probable usefulness of the aforesaid class of objects or purposes is thirty years, pursuant to subdivision four of paragraph a of Section 11.00 of the Local Finance Law, calculated from August 6, 2015, the date of the first obligations issued for such purpose.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the City Controller, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said City Controller, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of said City of Amsterdam, Montgomery County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the City of Amsterdam, Montgomery County, New York, by the manual or facsimile signature the City Controller and a facsimile of its corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the City Clerk.

Section 7. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the City Controller, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as he shall deem best for the interests of the City, provided, however, that in the exercise of these delegated powers, he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the City Controller shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 8. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the City by the facsimile signature of the City Controller, providing for the manual countersignature of a fiscal agent or of a designated official of the City), the date, denominations, maturities and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the City Controller. It is hereby determined that it is to the financial advantage of the City not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the City Controller shall determine.

Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a longterm basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 10. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
