***Dear Community Supporter,***

As you may know, The City of Amsterdam and the Greater Amsterdam School District joined forces and came up with a plan to open the Clara Bacon School Gymnasium to use for recreational activities. In our ongoing effort to give City youth an opportunity to enjoy affordable and meaningful experiences we are reaching out to community leaders and asking for your support. To date the many sponsorships we have received have helped transform the gymnasium from a large storage area to the multi-purpose facility we have today. The gym plays host to basketball, soccer, softball, baseball, summer camp, after school activities and so much more. Some of the work that has been done thus far includes installing new baskets, painting the entire gymnasium, refinishing the court floor, laying artificial carpet and installing a batting cage. We hope that you see the value in what we have done to date and what we would like to continue to do in the future.

With that said, the 2018-2019 season of the **Amsterdam Recreation Basketball League** is just around the corner and we are hoping you would be interested in sponsoring a team. The league plays host to **400 boys and girls** in grades; Pre-Kindergarten to High School. A sponsorship costs only \$95 for the entire season, October – March. For your \$95, your business name will be boldly printed on the back of your team's shirts. Your name will be on all schedules, handouts and postings in the gymnasium. Your business name will also be on all standings and schedules which will be on the City of Amsterdam Recreation Department website; [amsterdamrecreation.com](http://amsterdamrecreation.com), all of our social media sites, and lastly your business name will appear in The Recorder regularly as all scores, schedules and standings are reported daily.

We are looking forward to hearing from you. If have any questions please contact us at the numbers above. Thank you for considering a sponsorship and continuing to make Amsterdam a wonderful place for residents to raise their children!
